

DIRECTIONS TO LES CHALETS D'OR

Les Chalets D'Or, Avenue de la Muzelle

Tourist Information Centre, VFD and Bes Bus Stops

After climbing up the 10 bends to Les Deux Alpes the road will carry on under a small bridge with a large advertisement for Les 2 Alpes. 500m on, you will see a residential street to your left (it has a bus shelter on the corner) 100m after you will see a large billboard advertising new apartments that are being built, there are also some large round wooden rubbish bins. This is the driveway to Les Chalets D'Or. Just past this entrance is the BP Service Station. If you reach the tourist information centre and the beginning of town you have gone too far!!
