## **Le Diamant, Rue de Terres Venosc, Les Deux Alpes**

---

The Entrance to the building is at the top of the carpark at the far end of the building. You will need to go up a large enclosed spiral staircase, cross the entranceway, through the glass doors which bring you to the foyer and lifts. If you are catching the bus, there is a flight of metal stairs that runs up beside the Boulanger directly opposite the bus stop, which also brings you out at the top of the car park.
